Owned By Those We Serve

March 2020

## What is Wholesale Power & TIER Adjustment?

You may have noticed the Wholesale Power & TIER Adjustment (WPTA) line item on your power bill and wondered what this is for. The Wholesale Power & TIER Adjustment is the component on your electric bill that directly reflects the cost of commodities that are used to generate electricity. We recover these fluctuating costs through the WPTA.

Rutherford EMC's board of directors recently increased the WPTA to \$0.003 per kilowatt-hour [\$3 per 1,000 kilowatt-hours] effective on February 1, 2020 billings.

## Deadline Approaching to Apply for a Touchstone Energy Sports Camp Scholarship

The buzzer will sound soon for local rising sixth, seventh and eighth graders to apply for an all-expenses paid basketball camp scholarship this summer.

Rutherford EMC will send one young man to the Roy Williams Carolina Basketball Camp June 20-24 at the University of North Carolina in Chapel Hill, and one young woman to the Wolfpack Women's Basketball Camp June 21-24 at N.C. State University in Raleigh. Campers will work directly with players and coaches to develop skills, practice leadership and teamwork at the overnight camps.

To be eligible for a Touchstone Energy Sports Camp scholarship, students must be in sixth, seventh or eighth grade during the 2020-21 school year. Students currently in eighth grade are not eligible for the scholarship program, per NCAA rules and regulations. Applicants must have permission from a parent or guardian to attend and must provide their own transporta-

tion to and from the camp if selected.

Applicants will be judged on academics, extracurricular activities and an essay. To access the application, visit [ncelectriccooperatives.com/sports-camps](http://ncelectriccooperatives.com/sports-camps). If you have questions or need additional information about the program you can visit our website at [remc.com](http://remc.com), contact Chad Bailey at (800) 521-0920 Ext. 450 or Jennifer Heiss at (800) 662-8835 Ext. 2239. Applications must be postmarked by March 31. Winners expected to be announced by the beginning of May. Hustle up and get those applications in by the March 31 deadline or you may find yourself sitting on the bench!

The Touchstone Energy Sports Camp Scholarships provide a one-of-a kind educational and athletic opportunity to our states youth and reflect electric cooperatives' core value of innovation, service and commitment to community. North Carolina's 25 local Touchstone Energy cooperatives will award

## Rutherford EMC's Statement of Nondiscrimination

Rutherford Electric Membership Corporation is an equal opportunity provider and employer.

## Energy Efficiency Tip of the Month

Placing hot food in the refrigerator makes the appliance work harder than necessary, using more energy. Allow food to cool down before you place it in the fridge.

# Where Did These Folks Go?

## Rutherford EMC Has a Capital Credit Check for Them

In November 2016, a general retirement of capital credits was made to members who received service during 1996. Capital credits represent revenues that are retained by your Cooperative for the financing of operations and construction to reduce borrowing and to keep rates low. These credits are returned to you as the financial condition of the Cooperative allows.

Unclaimed capital credit checks are held for four years before the money is escheated\* to the state. If you see your name listed on these pages we are holding

a check for you from 2016.

If the member is deceased, a family member or legal representative of the estate should make application for this check and the full amount of capital credited to that person's account. Last names beginning with (A – portion of K) are listed in this newsletter. The remaining names (portion of K – Z) will be printed in the April issue. All towns listed are located in North Carolina unless otherwise printed. \*The reversion of property to the state due to returned mailings with no forwarding information.
